School strategic directions 2015 - 2017

To challenge and engage students, enhancing their capacity in all fields of endeavour and utilising their talents in a rich variety of experiences in, and beyond, the classroom. We will facilitate the development of the skills necessary for our students to be successful lifelong learners, building in them the confidence to adapt to a changing world and solve the challenging problems of tomorrow. Our students will be well-rounded, active participants in all aspects of school-life, encouraging their growth as resilient, resourceful and empathetic citizens with the potential to have a positive impact on the society of the future.

To provide staff with the skills and knowledge required to use evidence-based, best-practice pedagogical approaches in delivering quality teaching and learning across the school. We will strive to maintain a safe, high performing learning environment for staff, fostering growth and professional development for teachers at all stages of their career. Our teachers will be confident, collaborative educators who are able to expertly cater for the needs of gifted and talented learners.

To enhance a school community that maintains high expectations, a positive learning culture that is informed, inclusive and communicates effectively through organisation excellence. The school values and supports activities that build and promote positive productive relationships within the school and wider community. The Caringbah learning community will work together to build a learning organisation that is effective and efficient through the introduction of new and improved ways of doing business.
